NARRATIVE					
<p>On 03-04-01 at approximately 0044 hours I responded to a suspicious persons call at Walker Tower. Upon my arrival the Duty RA advised that three subjects were walking the halls of the 10th and 11th floor with a video camera. At this time none of the subjects could be located. At approximately 0108 hours CSO KILL located the subjects on the 2nd floor. Upon contact with the subjects it was determined that they were not students and that they were on campus to attend a party being held at the Wilson Activity Center. They were told to leave Walker Tower and return to the party. It was later determined that these subjects may have assaulted several individuals in Walker Tower.</p> <p>gec14030501</p>

Robinson and I were both approached by males in the area that stated they had also heard complaints that this male was assaulting woman at the after party. The victim escorted Sgt. Robinson and myself around the dance area two (2) times before locating the suspect (a juvenile male). Sgt. Robinson and I immediately noticed that the suspect the Victim visually identified on the dance area was accurately described at the beginning of the complaint.  The suspect had a strong odor of alcoholic beverage consumption on his breath and person, admitted to drinking prior to the after party, and provided false information to Police Officers that were attempting to identify the suspect.  gec14040101

NARRATIVE					
<p>V stated that she received unwanted advances from a stranger who followed her on his blue mountain bike. She initially saw him at Elm and Parsons southbound, then saw him again around the Dale Hall parking lot. When she arrived at the north entrance doors of Dale Hall Tower the stranger got off his bike, introduced himself as "Jaheem" and blocked the door with his foot so that she could not enter. He told her she looked pretty and that he wanted to give her a kiss. He put his arm around her while standing next to her. She advised him that she did not know him and ducked under his arm to get away. She entered Dale Hall through the other set of doors. He followed, asking what was wrong, and put his arm loosely around her neck from the rear, kissed her on the back of the neck and ran off. V stated that she was uncomfortable but did not feel threatened. V stated that she has never seen him before.
